Bed Double Foot Step - 1H02

Advin health care provides hospital bed Double foot step with international quality standards.

Advin Foot step gives corrosion proof, medical grade material, durable body structure, high strength. Advin has 10 year experience of manufacturing foot step.

Advanced Features:

-  Double foot step made in MS Frame woks
-  First step height 23cm & second step height 46cm form Ground level
-  Also Available in Complete SS

Technical Specification:

General Specification	
Size	46cm L x 60 cm W x 46 cm H
Finish	Epoxy powder coated

Product Code:

Product	Size	Code
Bed Double Foot Step (MS Powder Coated)	46 cm x 60 cm x 46 cm	1H02A
Bed Double Foot Step (Complete SS)	46 cm x 60 cm x 46 cm	1H02B

Oxygen Cylinder Trolley - 1101

Advin health care provides Oxygen Cylinder Trolley with international quality standards.

Advin Oxygen cylinder trolley gives corrosion proof, medical grade material, durable body structure, high strength. Advin has 10 year experience of manufacturing Oxygen cylinder trolley.

Advanced Features:

- 🏠 These are used in transportation of portable & large oxygen cylinders
- 🏠 The complete trolley is mounted on metal sheet along with 2 castors
- 🏠 This is made of CRCA tubular Frameworks

Technical Specification:

General Specification

Size	20 cm L x 26cm W x 100 cm H
Finish	Epoxy Powder Coated

Product Code:

Product	Size	Code
Oxygen Cylinder Trolley	20 cm x 26 cm x 100 cm	1101

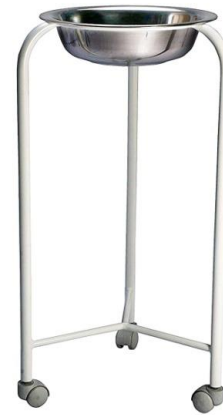

Single Bowl Stand - 1J01

Advin health care provides hospital single Bowl stand with international quality standards.

Advin bowl stand gives corrosion proof, Impeccable, Quality Ensured, durable body structure, high strength. Advin has 10 year experience of manufacturing bowl stand.

Advanced Features:

-  Stainless steel tubular frame work
-  40mm dia. Non-rusting castor wheels
-  One SS bowl of approximation 36 cm dia.

Technical Specification:

General Specification	
Size	36 cm dia. X 90cm H
Finish	Satin matt buff.

Product Code:

Product	Size	Code
Single Bowl Stand	36 cm dia. X 90 cm	1J01

Two Tier Bowl Stand - 1J02

Advin health care provides hospital Two Tier bowl stand with international quality standards.

Advin Bowl stand gives corrosion proof, Impeccable, Quality Ensured, durable body structure, high strength. Advin has 10 year experience of manufacturing Bowl Stand.

Advanced Features:

- 🏠 Complete tubular frame works
- 🏠 Double bowl stand mounted on castor wheel
- 🏠 The bowl is made of stainless steel and the size is 35 cm
- 🏠 3 nos. non-rusting castor wheels

Technical Specification:

General Specification	
Size	40cm dia. X 90cm H
Bowl	SS 36 mm dia.

Product Code:

Product	Size	Code
Two Tier Bowl Stand	90 cm H	1J02

Kick Bucket - 1J03

Advin health care offers Kick Bucket with international quality standards.

Advin Kick Bucket gives corrosion proof, Impeccable, Quality Ensured, durable body structure, high strength. Advin has 10 year experience of manufacturing Kick Bucket.

Advanced Features:

-  Stainless Steel frameworks
-  Bowl made in stainless steel
-  Kick bucket mounted on three castor wheel

Technical Specification:

General Specification	
Size	40 cm dia. X 40 cm H
Finish	Satin matt buff.

Product Code:

Product	Size	Code
Hospital Scrub Sink – Three Bay	184 cm x 50.8 cm x 136.2 cm	1P03

IV Rod With Castor Based - 1Q01

We, Advin, Manufacturer IV Rod with Castor Base with international quality standards.

Advin IV Rod with castor base gives corrosion proof, quality ensured, durable body structure, high strength.

Advanced Features:

- 🔗 Tubular mild steel frame works
- 🔗 mounted on 50 mm dia. Castor wheel
- 🔗 It is fitted on non-rusting castor wheel
- 🔗 L shape Type Hook
- 🔗 Also Available in SS Frame Work

Technical Specification:

General Specification

Finish	Epoxy powder coated.
Height Adjustable	46 cm – 68 cm

Product Code:

Product	Size	Code
IV Stand with castor based – MS	-	1Q01A
IV stand with Castor Based – SS	-	1Q01B

IV Rod With Heavy Based - 1Q02

Advin leading Manufacturer of IV Rod with Heavy Base with international quality standards.

Advin IV Rod with heavy base gives corrosion proof, quality ensured, durable body structure, high strength.

Advanced Features:

-  Heavy Base Cast iron
-  Two hooks with IV rod made in Stainless Steel
-  Adjustable Height from 150cm to 229cm from Ground Level

Technical Specification:

General Specification

Finish	Epoxy powder coated
Height Adjustable	150 cm to 229 cm

Product Code:

Product	Size	Code
IV Stand with Heavy Based – MS	-	1Q02A
IV stand with Heavy Based – SS	-	1Q02B

Saline Stand On Cot - 1Q03

Advin Health Care provides Saline Stand On Cot with international quality standards.

Advanced Features:

-  Height adjustable IV stand
-  Rod locked with knob
-  Made in stainless steel / MS structure
-  Two hooks

Technical Specification:

General Specification

Length	121 cm
Material	Stainless Steel
Application	Hospital, Clinics

Product Code:

Product	Size	Code
Saline Stand on Cot – MS	-	1Q03A
Saline Stand on Cot - SS	-	1Q03B

Hydro Extractor Direct Drive – 1S01

Advin Hydro Extractors Basket directly mounted on specially designed high torque designed high torque heavy duty motor resting on spigot of the base frame with rubber buffer cushion for self-balancing No "V" belts required, self-balancing Noise less & vibration less performance Inner basket & outer stainless steel 304 16 gauge outer & 14-gauge inner basket

- 🕒 Auto Timed
- 🔌 Direct drive
- ⚡ High Speed
- ⚖ Self-Balancing
- 🛑 Auto DC injected brake
- 🔧 Variable braking system (Optional)

Technical Specification:

General Specification

Capacity	15KG
Basket Size	300 L X 510 D
Basket RPM	1000 RPM
Motor	3 Hp
Drain	65 mm
Dimension	800 mm x 1030 mm x 1100 mm
Weight	320 KG

Product Code:

Type	Size	Code
Hydro Extractor	15 Kg	1S01

Drying Dryer Machine – 1S02

Advin Health care Provides Drying Dyer Machine with international quality Standard. Advin Drying Dryer Machine is used in hospital.

Advanced Features:

- 🔧 Inner Basket made in SS 304 1.2 mm
- 🔧 The Outer Body is Made in MS Outer Body
- 🔧 MS Mail Stone CRC Plate
- 🔧 Double walled Rock wool insulation
- 🔧 Powerful blower use
- 🔧 Blower motor 1 HP / Driver Motor 2 HP
- 🔧 Solid tapper boss pully
- 🔧 Air output damper valve

Technical Specification:

General Specification

Capacity	30 KG
Type	Front Loading
Basket Size	950 mm L x 950 mm D
Heating System	Electric Heater
Basket Vol.	670 Ltr
Door Size	640 mm
Blower Motor	1 HP
Driver Motor	2 HP
Weight	850 Kg
Dimension	1350 mm x 1840 mm x 2180 mm

Product Code:

Type	Size	Code
Drying Dryer Machine	30 KG	1S02

Washing Machine – 1S03

Advin Health care Provides Washing Machine with international quality Standard. Advin Washing Machine is used in hospital. The offered laundry machine is precisely manufactured by our adroit professionals by the use of optimum grade components at our production unit.

Advanced Features:

- 🔧 Completer Stainless Steel Inner and Outer Drum
- 🔧 Long lasting rust free operation.
- 🔧 Automatic features like auto timed, auto reverse, auto temperature control etc.
- 🔧 Timing System with Electronics Hooter System
- 🔧 Ideally suited for Laundry Wash & Stone Wash.

Technical Specification:

General Specification

Capacity	35 KG
Type	Front Loading
Basket Size	600 mm L x 850 mm D
Operating Cycle	53 Sec
Door Size	500 mm
Driver Motor	2 HP
Drain Size	75 mm
Water Inlet Size	40 mm
Weight	800 Kg

Product Code:

Type	Size	Code
Washing Machine	35 KG	1S03
